14,700 GALLON (350 BBL)

Vertical Tank

Combined with our standard smooth-wall construction and sloped bottom for ease of cleaning and 100% drain-out, the 14,700 Gallon (350 barrel) Vertical Tank is a top-performing liquid storage solution. It boasts a wide array of safety features including non-slip step material on stairway, ladder cable fall arrest system and non-skid exterior coating on top floor.
